

**More than
just a healthy
smile...**

A dental exam can reveal early signs of over 100 diseases, as well as identifying gum disease, which can have a negative effect on the body's overall health.

A healthier mouth makes for a healthier body

A healthy mouth not only creates a beautiful, healthy smile, but it can also help make your whole body healthier!

Delta Dental of Virginia offers you an extra cleaning and exam during your benefits period if

you have one of the following conditions:

- ▲ Pregnancy
- ▲ Diabetes
- ▲ Certain High Risk Cardiac Conditions

Get started improving your oral health with *Healthy Smile, Healthy You*®. Sign up today!

Visit deltadentalva.com to print an enrollment form or ask your Human Resources representative for more information.
