

Your Delta Dental Network

To ensure services are covered and that you receive the greatest value for your dental benefits, it is important that your dentist **participates** in the network listed at the top of your ID card.

Delta Dental Premier®

With Delta Dental Premier, you have the option of visiting any dentist. However, your out-of-pocket costs may be lower if you see a Delta Dental Premier dentist and higher if you choose an out-of-network dentist. Here are some highlights of the plan:

- With 77% of dentists participating nationally, your Delta Dental Premier plan gives you access to the largest dental network in the nation with lower out-of-pocket costs.¹
