Delta Dental PPO Plus Premier™

With Delta Dental PPO Plus Premier, you have the option of visiting any dentist. However, your out-of-pocket costs will likely be lower if you see a Delta Dental PPO™ dentist and highest if you choose an out-of-network dentist.

Plan Highlights

- Delta Dental has the largest dental network in the nation. Nearly eight out of 10 dentists participate nationally in a Delta Dental network.¹
- The discounts under our PPO network are greater than those provided by the Premier network, so we encourage you to visit a PPO dentist when possible.
- Both Delta Dental PPO and Delta Dental Premier dentists agree to discount their fees, submit claims on your behalf and not bill you for the difference.

Find a dentist in your plan

To ensure that your dental services are covered and that you receive the greatest value for your dental benefits, it is important that your dentist participates in the plan listed at the top of your Delta Dental ID card. Check with your dentist to be sure they participate in the plan indicated here before your first dental visit. If you do not have a dentist and wish to find an in-network dentist, visit DeltaDentalVA.com to use our Find a Dentist tool.
