

DELTA DENTAL OF VIRGINIA FOUNDATION SUPPORTS TIDEWATER INITIATIVES, AWARDS \$61,500
Old Dominion University School of Dental Hygiene accepts \$4,000 Smart Smiles® check.

NEWPORT NEWS, Va. (June 12, 2019) – In a continued effort to achieve its mission to improve the oral health of Virginia residents, the Delta Dental of Virginia Foundation awarded \$411,500 this year in total grants to fund research, educational outreach and various programs designed to improve the overall oral health of uninsured or underinsured Virginians. Many of the grants focus on key areas of need throughout the Commonwealth – the state's youth, the uninsured and medically underserved population, and dental professionals in training.

In Tidewater, ten organizations received Smart Smiles grants totaling \$61,500 to support oral health initiatives throughout the region.

Pictured are representatives of the Old Dominion University (ODU) School of Dental Hygiene (SODH) accepting a check for \$4,000 in support of its Smart Smiles At the Dentist program. The awarded funds were provided under the direction of Associate Professor Ann Bruhn and Associate Professor Tara Newcomb with the ODU SODH.

The funds will be used specifically for dental equipment and supplies for patient treatment within the care facility and clinic located on the first floor of the College of Health Science (COHS) building's Norfolk campus. The mission of the SODH is to assist individuals in eliminating and preventing oral disease for optimal health, and to provide an exceptional learning experience for dental hygiene students. Quality oral hygiene care through comprehensive dental hygiene services are performed on community patients with reduced fees for necessary treatment by dental hygiene students and supervising faculty.
