DeltaVision offers robust plans with a variety of copayment options, allowances and frequencies to fit any group. Plus, superior network access ensures your clients receive the benefits they want, when they want them. Our vision plans are designed to exceed your clients' expectations by delivering the best value, choices and service. It's our Member Promise¹ — your clients are happy, or we'll make things right.

DeltaVision — 130

DeltaVision — 130 offers affordable WellVision Exam^{®2} and prescription glasses copays, as well as a healthy \$130 frame or contact lens allowance. Combine that with special offers only available through VSP[®], and you have a vision plan your clients will be pleased with. The DeltaVision — 130 plan has a 12/12/24 (exams/lens/frame) structure.

DeltaVision — 150

DeltaVision — 150 offers the same great benefits of DeltaVision — 130, but with a \$150 frame or contact lens allowance. Maybe you have a group that likes the plan design of the 130 but wants a higher allowance. This is the plan for them: a great plan at an excellent price. The DeltaVision — 150 plan has a 12/12/24 (exams/lens/frame) structure.

DeltaVision — 150 Plus

DeltaVision — 150 Plus is the next step up. A decreased prescription glasses copay and more frequent frame replacement allowance are the signature differences in this plan, allowing your groups' employees to get the benefits they want cheaper and sooner. The DeltaVision — 150 Plus plan has a 12/12/12 (exams/lens/frame) structure.

DeltaVision — 150 Plus with EasyOptions

DeltaVision — 150 Plus with EasyOptions is our most robust plan, offering all the benefits of the 150 Plus but with an exciting addition — EasyOptions. EasyOptions is a customization feature that gives members the option to choose one of five upgrades at the time of service. See more details in the pages of this kit. DeltaVision — 150 Plus with EasyOptions has a 12/12/12 (exams/lens/frame) structure.

We're also excited to offer additional benefits such as LightCare™ and KidsCare, which can be added to any of these plan designs.
